

A UNIQUE OPPORTUNITY

Enjoy a unique opportunity to volunteer at the Lethbridge Layton Mackay (LLM) Rehabilitation Centre and witness the positive impact we have on improving the quality of our client's lives.

Being socially involved and responsible are key priorities in the role of business today. Large or small, there are ways for your company to get involved.

The benefits to volunteering are endless for both your company and employees. As an integral member of the Day Centre of the LLM team you will:

- » connect and engage with others in the community.
- » Have a positive impact in the quality of care our clients receive and their overall experience.
- » Help enhance the programs and services we offer.

GIFT OF TIME

There are several events throughout the year where your team can share their valued "Gift of Time" at our day centre.

The Day Centre of the LLM services elderly, men and women, who spend the day at the centre. While there, they participate in "Adapted Activities" that cater to their abilities. Our clients live with a variety of disabilities including visual, hearing and mobility impairments and other related health issues. The centre is open Monday to Friday with an average of 25 clients per day.

Days of celebration are normally spread out over the course of 1 week to ensure all of our clients have the chance to participate. Each event is organized by staff at the Centre:

- » St Valentine's Day
- » St Patrick's Day
- » Spring Fling (April)
- » Mother's Day
- » Father's Day
- » Thanksgiving
- » Winterfest (December)
- » Cultural Activities

ADOPT AN EVENT...

Along with the opportunity to host and engage with our elderly clients your team can also adopt one of these events... everything from the décor to the food, entertainment, drinks and gifts... It's up to you.. Join us!

HABILITAS MISSION:

Inspired and guided by our core values of impact, stewardship and love, we at habilitas are excited to create a world where **PHYSICAL DISABILITIES ARE NO LONGER DISABLING**.

HOW DO WE SIGN UP?

Just call or email **Ron De Paola** - Director of Development & Community Outreach. It's that easy!
